

COMPONENTS	REMARKS
RELATING THE QUESTIONS TO CURRENT AFFAIRS	NA
CONCEPTUAL CLARITY	GOOD But in first question there was a mis-statement and section was wrongly mentioned in another question reg : contract of guarantee – You knew them well but you had written wrong- kindly watch out
WRITING THE REQUIRED ANSWER	GOOD For most of the questions – you wrote the required answer – it was not a big task as the questions were not twisted – they were straight questions. So the point here lies how you answered the simple plain questions in a interesting way. You have written them as usual LLB style – you got to make them well built and out of box like UPSC style. It can be hardly taught but you have to think and gain it – kindly try it that is the final stage at UPSC Mains preparation.
PRESENTATION	REQUIRE IMPROVEMENT Write in points, underline important terms/key words , try to use side headings , diagram etc if possible. You must really work on presentation !
HANDWRITING(LEGIBILITY)	LEGIBLE It looks neat but the letters are not clear try to write with precision – at the same time watch out the time do not waste much time doing this.
USING TOOLS OF PRESENTATION:	REQUIRE IMPROVEMENT

POINTS, BULLETIN, CHARTS ETC	Present your good concept clarity in an attractive way – bring out each important point in an outstanding manner . So never give a chance for examiner to miss your points.
WISDOM TO LEAVE THE UNKNOWN ANSWERS	GOOD You left answers which you are not aware instead of writing incomplete answers of that’s good. Yet there is 1 incomplete answer kindly watch out.

SCORE : 110/250

kindly take our criticism in positive way – we are here to see you win – there is no personal offence . Thank You.

SPECIFIC REMARKS:

- 1) Your sentences are well built .
- 2) You have read the legal concepts well.
- 3) You have written correct legal provisions and cases also – that is a commendable work.
- 4) Even if you have done all the above – if you miss presentation you miss everything – reason : think ! Who all appears in mains, do more or less know same concept as you- all will write almost efficiently .
BUT ! only few qualify – why ?
 - Although they write same concept – certain people put them in a different attractive way – tabular column , diagram, mind maps
 - Certain people think out of box – they pen their own extraordinary thinking in conclusion and show their skill to be efficient administrator.
 - They write in such a way that none of the important points misses the sight of examiner – underline , writing in points , side headings etc
 - They provide a natural flow in answer writing.

ALL THE VERY BEST !
